

Release of Liability and Assumption of Risk Agreement

Introduction

In consideration of being permitted to participate in any capacity in the program, including related events and activities, I, the undersigned, acknowledge, appreciate, and agree to the following terms:

1. Risks Associated with Participation

The risk of injury from the activities involved in this program is significant. These risks include, but are not limited to, the possibility of permanent paralysis and death. Although specific rules, equipment, and personal discipline may help to reduce these risks, the potential for serious injury remains.

2. Assumption of Risk

I knowingly and freely accept all risks, both known and unknown, associated with participation. This acceptance applies even if such risks arise from the negligence of the releases, excluding gross negligence, or from other sources. I assume full responsibility for my participation in the program.

3. Agreement to Terms and Conditions

I willingly agree to comply with the stated and customary terms and conditions for participation. However, if I observe any unusual or significant hazard during my presence or participation, I will immediately remove myself from participation and inform the nearest official.

4. Release and Indemnification

I, for myself and on behalf of my heirs, assigns, personal representatives, and next of kin, hereby release, indemnify, and hold harmless the Junior Volleyball Association (JVA), their officers, officials, agents, employees, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct the event (releases), from any and all injury, disability, death, or loss or damage to person or property. This release applies whether arising from the negligence of the releases or otherwise, to the fullest extent permitted by law.

5. Acknowledgement

I have read this Release of Liability and Assumption of Risk Agreement. I fully understand its terms, recognize that I am relinquishing substantial rights by signing it, and do so freely and voluntarily without inducement.
